Company Name: Brookhaven Youth Ranch

Job Title: Mental Health Counselor

Short Description: To provide individual, group or family therapy to adolescent males age 13-17

Education: Master's or above

Job Category: Licensed Therapist with either LPC, LCSW, ASOTP, LSOTP or LMFT

Company Website: brookhavenyouthranch.org

Number of openings: 2

Requirements: A master's degree with licensure as an LPC, LCSW, ASOTP, LSOTP or LMFT. Some experience counseling adolescents is preferred, but not required. Experience counseling sex offenders would be welcomed.

Skills: Good relational skills and clinical expertise with an ability to develop strong therapeutic relationships with adolescent males who have a history of neglect, abuse, or abandonment issues. Comfort providing individual, group and limited family counseling is necessary. The ability to work with and merge into a treatment team which is supportive, cooperative and strongly focused on the best interest of our client population is a must. Familiarity with trauma based treatment approaches is expected. The ability to document all counseling sessions and client contacts in a clear, concise and timely manner is required.

Salary range: Up to \$55,000 depending upon experience

Closing range: November 8 –December 31, 2018

Full Description: Brookhaven Youth Ranch is a non-profit residential treatment center providing residential treatment services to abused, neglected or abandoned adolescent males referred to us by TDFPS, Probation Departments and private individuals. As a member of our treatment team, you will be expected to develop strong, healthy therapeutic relationships with your clients and guide them toward more productive lifestyles. Your therapy should be goal oriented, trauma based and solution focused. The Brookhaven "family" is both loyal to and highly supportive of each other and being a productive team player is a must.
