

Clinical Director Position

Home of Hope Texas was established to provide a place of refuge and safety for adolescent victims of human trafficking. We exist to provide long term care, rehabilitation, and healing for victims of modern-day-slavery and sexual abuse.

Essential Duties & Responsibilities:

- Responsible for the overall treatment program, including clinical responsibility for the management of the operation's therapeutic interventions
- Provides direct clinical services to residents to include but not limited to individual, group and family therapy

Qualifications:

- Psychiatrist or Psychologist; or
- Have a Masters degree in human services field from an accredited college or university and three years of experience providing treatment services for trafficking victims or children with an emotional disorder, including one year in a residential setting; or
- Be a licensed master social worker, a licensed clinical social worker, a licensed professional counselor, or a licensed marriage and family therapist, and have three years of experience providing treatment services for trafficking victims or children with an emotional disorder, including one year in a residential setting

Please send cover letter and resume to hr@homeofhopetexas.org
